

I've just added a new feature to Mrs Loving's Sissy Feminization web site. We'll be adding a new sample clip every week.

We now have over 20 hours of sissy feminization movies to watch. Mrs Loving's has now trained 4 sissies on line and will be soon adding a fifth.

I'm sure you'll seeing a mature experiences woman taking of her damp panties and putting over the nose and face of her new sissy. "Smell my pussy' you'll hear her say to Sissy Allyson.
